There is nothing to worry about if you see an increase in police presence.

These are normal police operations for Griffin on the Go to detect, deter and disrupt criminal activity.

We will turn up at any time. Don’t be alarmed or surprised if you see and you were not expecting it.

Griffin on the Go officers will visit business and retailers to talk to staff and customers to explain and reassure you what we are doing.

You can help to detect, deter, and disrupt criminal activity by reporting anything that doesn’t feel right, for example an unattended item or someone acting out of the ordinary.

**WHAT IS GRIFFIN ON THE GO?**

INTERPORTPOLICE supports Griffin on the GO to detect, deter, deny and disrupt criminal activity from minor crime such as theft to human trafficking and terrorism at the same time engaging and reassuring the public within the environment.

Deployments involve uniform and plain clothes police working together with other specially trained officers and the environment security team as part of the joint working strategy. The deployments are unpredictable, intelligence lead and highly visible.

The Griffin on the GO teams will turn up unannounced at various location within the environment to carry out patrols and engage with the community. It will be unpredictable taking place at any time, lasting for various amounts of time and involve different officers and assets.

**WHAT WILL YOU SEE?**

You may see us at this location more than once a day or not see us for a week. The key to the success of Griffin on the GO is the unpredictable nature of the program. The key to detecting, deterring and disrupting criminal activity or behavior is the very nature of the unpredictability.

Do not be surprised or alarmed if you see Griffin on the GO deployed anywhere in your environment. Griffin is there to keep you safe.

Griffin on the GO officers will make a point of meeting and speaking to you, explaining what they are doing and answer any questions you have. Please feel free to speak with them if you would like to find out more especially if you have your children with you.

Griffin on the GO want children to understand we are there to help them no matter what.

**HOW CAN YOU HELP?**

Griffin on the Go teams can not operate alone, they need your help. You can play a vital role by being vigilant when you are in the environment by reporting anything that just doesn’t feel right or look right. For example, a bag or item left looking out of place or someone acting suspicious.

**WORKING TOGETHER AS ONE**

Business and retailers have an important and vital role to play. Working together we can make a difference in protecting our communities.

We rely on your support and your vigilance to help our tactical deployment in the fight against crime and terrorism is successful. If you have picked up this leaflet in a business or from a retailer in this area it means they are working with Griffin on the GO teams to keep you the public and community safe.

Don’t avoid it or leave it to someone else, report it. Use Griffin on the Go reporting app.

‘SEE IT, SAY IT, REPORT IT’.
